PRACTICE DIRECTION:
LEGAL SEARCHES – LAND RELATED MATTERS.

Presently the only way by which Legal Practitioners conduct legal searches on land related matters is by doing so at the Abuja Geographical and Information System Office (AGIS). Obviously, such a search can not reveal the existence of pending litigation over landed property here in the Federal Capital Territory.

In order to add value to our services to the legal profession and members of the public I hereby direct that a register of land related cases pending before our Courts should be opened in the Litigation Department for the inspection of interested Legal Practitioners and members of the public on payment of a token fee.

Thank you.

L.H. Gummi, OFR
Chief Judge, FCT-Abuja.
